

Mishkah University Scholarship Guidelines for Imams (50%) in the United States

Mishkah University offers special scholarships for Imams working for Mosques in the US, who have demonstrated exceptional leadership abilities, high academic achievements, and distinguished record of service to their communities. These scholarships are sponsored by our generous donors.

Imam Scholarship Requirements:

1. All applicants must be American citizens or living and working legally in the United States. They should have a valid work contract with the mosque they work in and the mosque is required to sign an affidavit confirming their employment.
2. To apply, applicants must fulfill the following:
 - a. Meet all the requirements for admission to one of the University's programs.
 - b. Complete and sign a scholarship application and contract.
 - c. Provide evidences of the applicant's leadership, academic and community service.
 - d. Provide two recommendation letters from distinguished individuals who are known to the community for their knowledge and piety (e.g. Imams, teachers, professors, community leaders). No letters from relatives or family members will be accepted.
 - e. Pay all application and University fees not covered by the scholarship, and which are the applicant's responsibility, including fees for Masters and PHD programs' dissertations and defense.
3. The scholarship is considered void and all the admission requests will be rejected if the University determined that the applicant violated the terms of the scholarship or contract or submitted false information and documentation in this application or for any other violations that the University sees fit. In the case of violations discovered after the student's admission to the University, the case will be presented to a disciplinary committee to decide on the continuation of the scholarship and study at the University.
4. By filing this application, the applicant permits Mishkah University to share his information with individual sponsors and institutions that support and provide funding to the scholarship program at the University.
5. This scholarship is valid for four years for Bachelor degrees, two years for Masters degrees, and two years for doctorate degrees.
6. Applicants should send all original documents and applications to the University's physical address and to the following email address, before the registration deadline: support@mishkahu.com
7. A determination on admission is decided within two weeks from the date when all required information and documents are received.
