WELCOME SEEKERS OF KNOWLEDGE - مرحبا بطالِب العلم

Safwan bin Assaal Al-Muradi (may Allah be pleased with him) said: “I came to the Prophet (peace and blessings be upon him) while he was reclining in the masjid on a red cloak of his and said to him: “Oh Messenger of Allah, I came to you seeking knowledge.” He (peace and blessings be upon him) responded: “Welcome oh seeker of knowledge!”

عن صفوان بن عسال المرادي، قال: أتيتُ النَّبِيَّ صَلَّى اللهُ عَلَيْهِ وَسَلَّمَ وَهُوَ مُتَّكِيٌّ فِي الْمَسْجِدِ عَلَى بُرْدٍ لَهُ أَحْمَرٌ، فَقُلْتُ: يَا رَسُولَ اللهِ، إِنِّي جِئْتُ اطْلُبُ الْعِلْمَ، قَالَ: " مَرْحَبًا بِطَالِبِ الْعِلْمِ

MESSAGE FROM THE CHAIRMAN OF THE BOARD OF FOUNDERS

“Welcome, seeker of knowledge!”

The Prophet Muhammad, peace and blessings be upon him, made this statement centuries ago. Since then, it has been engraved in the hearts and minds of his followers, the inheritors of his knowledge. They use it to welcome seekers of knowledge from all parts of the globe whom they receive with smiling faces and whose interest and devotion to seek such precious knowledge they hold dear.

Islamic knowledge, dear learner, is the heritage of the prophets as they left nothing behind except knowledge. No price tag could ever quantify the value of this inheritance. Seeking knowledge is the most invaluable goal on which we can spend our time and money. Any second that passes without learning something new or performing a good deed will be a source for great regret in the hereafter.

By providing Islamic education to a global community, Mishkah strives to follow in the steps of the Prophet's Companions who left Medina and traveled around the world to spread his guidance.

At the outset of your journey, as you consider entrusting us to help you achieve your educational goals, we ask that you remember to examine your intentions and seek knowledge only for the cause of Allah. Remember the great Hadith: "Deeds are (rewarded) but by intentions and everyone will be rewarded according to his intention." (Reported by Bukhari)

We pray that your experience at Mishkah will be a source of enlightenment and fulfillment. May Allah keep all our intentions sincere, guide us all to the right path, and bless us with that which is good in this life and the next.

Dr. Salah Al Sawy

Chairman of the Board of Founders

UNDERGRADUATE PROGRAM GENERAL GUIDELINES

Registration

Students may not register in any semester or summer session after the official registration period indicated on the University calendar has passed. Special permission by the dean will be granted only if unusual extenuating circumstances have made registration at the proper time impossible.

The University does not guarantee that students will be able to schedule every class they might be required to or wish to take in any given semester.

Credits and Semester Hours

The value of each course of instruction and the amount of work required for graduation are stated in terms of semester hours. A semester hour of credit represents one hour of class work, or two or more hours of recitation work per week for a semester.

Maximum and Minimum Work

The normal class load for a full-time student in a regular semester should range between 12 and 15 credit hours. A student whose record shows poor preparation for college must not be registered for more than 15 hours and may be advised to limit the academic load to fewer than 15 hours. Students on scholastic probation are limited to 13 semester hours in a regular semester and seven hours in a summer session.

Students may register for more than 15 credit hours only with the permission of the Dean, provided they have maintained an overall 3.0/ (B)/ 80% average and have not fallen below a grade C in any subject during the preceding semester. In no case will any student be permitted to register for more than 21 semester hours of degree credit. Students who

register for fewer than or drop below 12 semester hours of work in a regular semester will not be considered full-time.

ENROLLMENT CLASSIFICATIONS

Degree Seekers:

- **Full-time Students**

Undergraduates enrolled for 12 or more hours are classified as full-time.

- **Part-time Students**

Students who do not qualify as full-time students as defined above are part-time students. A part-time student is subject to all University rules concerning registration, attendance, scholarship, and conduct.

- **Auditors or Non-Degree Students**

Students who wish to take individual classes without enrolling for a degree must be officially admitted to the University as "Non-Degree Students."

Non-degree students may audit a class or take a class for credit

Take a class for credit:

You will be required to meet all class requirements – attending live lectures, assignments, and exams – to receive a grade for the class.

Audit a class:

You will have access to all class materials and may participate in live discussions, but you are not required to fulfill class requirements such as assignments and final examinations (although it is recommended to do so to enhance your learning.) As an auditor, you earn no credits, and you must pay full tuition for the courses taken.

Credits earned as a non-degree student are recorded on your permanent academic record.

- Tuition for auditing a course is the same as taking a course for credit and subject to the same refund policies.
- If the class is audited, exams and assignments are optional.
- Auditors will not receive university credit and will not be permitted to take an advanced standing examination on audited work.
- Auditors must follow the same attendance policy as degree seekers.
- Students may not change from audit to credit after the last day to add/drop courses.
- Non-degree students who wish to receive credit for classes must meet all class requirements and complete any necessary assignments and exams.

- Credits earned as a non-degree student are recorded on one's permanent academic record.
- **A maximum of 30 hours of credit earned as a non-degree student will be allowed toward a degree at Mishkah.**

After surpassing 30 credit hours, non-degree students will not be allowed to switch to degree-seeking.

Schedule Changes:

- **Adding/Dropping Courses**

Students are responsible for adding/dropping courses on or before the deadline listed on the [Academic Calendar](#).

Students who fail to drop courses by the published final date will not constitute a course drop and will be retained on the class roster even if they are absent for the remainder of the semester.

Withdrawn courses reduce a student's enrolled hours, impact the student's GPA, and could affect scholarship/sponsorship status.

- **Attendance Regulations**

Attendance will be reflected in the overall grading of the course.

Students are responsible for attending all classes regularly and punctually. It is not expected that any student will be absent for more than two lectures throughout the course. Students are expected to participate in all work assigned by the instructor including homework submissions, quizzes, discussion board postings, and other assignments. Students who do not participate in accordance with course requirements are considered absent.

Up to two absences from a course should be communicated to the instructor by email for approval. The instructor may determine necessary additional assignments for make-up.

Absences exceeding what is permitted (two per course) shall be explained with supporting documentation to administration at support@mishkahu.com for approval, and to the instructor for notification.

- **Regarding interference of Mishkah classes with the prayer times:**

Since Mishkah has students from various places around the world, it will not be possible to avoid class interference with the five daily prayers. However, class times should never prevent one from the timely establishment of the prayers.

○ **University Closures or Technical Difficulties**

If the University must close due to unexpected circumstances, faculty and students may have to make up missed class and recitation time. In some circumstances resulting in closure of the University, the Administration will determine how classes will be made up. Possible accommodations may include extra assignments, readings, class days, class time, or in other ways determined.

WITHDRAWAL FROM UNIVERSITY

Students are responsible for initiating the action to withdraw from all courses on or before the last day to withdraw as indicated in the current semester schedule found [here](#). After that date, a student may not withdraw from the University. Exceptions must be authorized by the Administration through support@mishkahu.com with supporting documentation and will be granted only under extenuating circumstances. Students who fail to withdraw by the published final date for such action will be retained on the class roster even if they are absent for the remainder of the semester. Students are expected to continue to attend classes until they have been notified that the late drop or withdrawal has been approved.

If the appeal for late drop or withdrawal is granted:

- 1.The official date of withdrawal will be the date the Administration approves the appeal.
2. A ‘W’ will appear on the student’s transcript in place of a letter grade.
- 3.The student will not receive credit for the course.
- 4.The student will not receive a tuition refund.
- 5.The student will be required to pay any outstanding balances.

Please note: Withdrawn courses reduce a student’s enrolled hours, impact the student’s GPA, and could affect scholarship/sponsorship status.

FINAL EXAMINATIONS

Final examinations are required and shall be held at the end of each semester or summer session in accordance with the schedule issued by Administration found [here](#).

EXTENSION POLICY

Purpose

This policy implements structured final examination & term paper accommodation to facilitate fairness and maximize the educational experience for students.

Policy

In any semester, students may need accommodation for final exams and term papers in the event of an emergency.

Procedures

Please follow the instructions explained in this video tutorial on how to fill out your extension request form <https://youtu.be/N5MnHCiQP0k>. All extension requests will be reviewed by your instructor and decided by the Administration. Upon final decision, you will receive notification through Orbund.

Please note:

- Mishkah University expects all students to follow the Academic Schedule regarding final examinations or term papers, with emergency exceptions.
- All examination times and deadlines are based on U.S Eastern Standard Time. A complete request must contain a brief explanation of the emergency situation, along with supporting documents and will be reviewed between 3-5 business days.
- The requested extension date should not exceed two weeks past the last day of final exam week.
- All administration decisions are final.

Grade Reports

The university reports grades at the end of each semester for all students. Only the grades reported at the end of the semester (final grades) are used in the computation of the student's grade-point average, available in the student's Orbund account. Grade breakdown will be found in the student's Canvas account. For more information regarding grading details, please contact the instructor.

Grade Appeal

The course final grade appeal policy provides the student with a safeguard against receiving an inaccurate final grade in a course while respecting the academic freedom of the instructor, which is vital to the integrity of the teaching process. The final-grade appeal process strives to resolve a dispute between the student and the instructor in the event of a final grade disagreement. The intent is never to disgrace students or instructors, nor to penalize any party if mistakes are discovered, rather to provide a neutral forum for the discussion and explanation of differences.

Every student has the right to request consideration of his or her final grade for review. The course final-grade appeal is confined to charges of bias action against an individual student and may not involve a challenge of an instructor's grading standard. It is incumbent on the

student to substantiate the claim that his/her final grade in the course represents bias treatment, compared to the standard applied to the rest of the class.

The timeline to appeal must be within 3 months of the final grade posting. A written appeal should be submitted to the Administration at support@mishkahu.com. The appeal will be reviewed and decided within 20 business days upon receipt of the request. Administration's decisions are final and may not be appealed.

Credit for Repeated Courses

A student may not repeat any course for credit in which a passing grade (C or higher) has been received. If a course is failed at Mishkah (D or F), it must be repeated at Mishkah with a satisfactory grade achieved to constitute degree credit and fulfill graduation requirements. When a student is permitted to repeat a course, the final grade earned shall determine course degree credit and will be reflected in the transcript. (*Implemented Fall 2021*)

UNDERGRADUATE GRADING SYSTEM

1. A (90% or more): The grade of A has a value of four quality points per semester hour and is given for work of the highest degree of excellence.
2. B (80% - 89%): The grade of B has a value of three quality points per semester hour and is given for work of a high degree of excellence.
3. C (65% - 79%): The grade of C has a value of two quality points per semester hour and is given for satisfactory work.
4. D (50% - 64%): The grade of D has a value of one quality point per semester hour and is given for passing but marginal work. Credit for the subject will be only granted to the student who earns a (D) or more.
5. F (35% - 49%): The grade of F does not earn quality points. This grade is given for work failed. A student who receives this grade in a course must repeat the course at Mishkah to receive credit for it.
6. XF (less than 35%): The grade of XF has no quality point value and is treated the same as an F. There are two instances in which a student may receive a grade of XF.
 - The first instance is for a student who never attends a class or stops attending and does not drop the course.
 - The second is for a student who attends a class, is failing, and does not take the final exam.
7. P: The grade of P means passing and is assigned for satisfactory work taken by advanced standing examination, for satisfactory completion of certain noncredit courses, and for satisfactory completion of courses taken on a pass-fail basis. This

grade does not carry quality points and is not used in computing the official grade average of a student.

8. W: The grade of W means withdrawal. This grade is given when a student drops a course or resigns from the University during the designated withdrawal period. Credit hours for which a grade of W is recorded are not used in calculating the student's grade point average.
9. UW: The grade of UW represents an unofficial withdrawal from a semester/term. This grade is administratively awarded only when a student stops attending all classes for the semester/term as noted by faculty attendance records. This grade is not used in calculating a student's grade point average.
10. I: The grade of I means incomplete and is given for work, which is of passing quality but which, because of circumstances beyond the student's control, is not complete. The issuance of the grade of I is at the discretion of the faculty member teaching the course. A grade of I becomes a grade of F if it is not converted within the extension period given to the student, which will usually end by the examination deadline for the following semester.

Cumulative Average

A student's cumulative grade-point average is calculated by dividing the total number of quality points earned by the total number of semester hours attempted.

Good Standing

It is expected that all undergraduate students should maintain a cumulative grade-point average of at least 2.0 (C) on all work attempted at Mishkah. Credit for the subject will only be granted to students who earn a (C) or higher.

Cancellation of Enrollment

Mishkah University reserves the right to cancel student enrollment upon recommendation presented by Administration, or upon student request in the following cases:

1. In case a student fails to register for six consecutive semesters without applying for deferment or for 3 consecutive or 6 separate semesters without an acceptable excuse. Prior admission decisions will not guarantee readmission to the University.
2. In case a student fails frequently in more than two subjects for 3 consecutive semesters, and the student advisor recommends canceling his or her enrollment.
3. Not adhering to educational regulations and violating rules of decorum and conduct.
4. **Not adhering to the University's Behavior & Discipline policy.**

INDEPENDENT STUDY

Independent study is a form of educational activity undertaken by an individual student with little to no supervision and provides an opportunity for a senior student to complete their graduation requirements. If up to two courses needed for their graduation requirements are not offered in their final semester, the student may register for independent study via email to support@mishkahu.com.

GRADUATION

Requirements

Students will graduate from Mishkah upon successful completion of all courses in their major. Students may apply to attend the graduation commencement ceremony when they have 1-2 classes left; however, they will receive their diploma upon completion of all courses.

To initiate the graduation process, students should contact the Mishkah Registrar at support@mishkahu.com

by the individual personally or released to any other party upon the student's written authorization. Transcripts cannot be issued until the student or former student has settled all financial, academic, or administrative obligations to the University.
