

Dual Enrollment Policies and Procedures

The Dual Enrollment program provides a rigorous, college-level Islamic studies curriculum for contracted Islamic High Schools, in the English Language. Outlined below are the program's purpose and policies. Please note that policies are subject to change as Mishkah University sees fit.

Purpose:

This program will enable high school students (grades 9-12) to receive credit for courses offered at Mishkah University. Through this, Mishkah seeks to encourage high school students to complete comprehensive, college level, Islamic Studies classes during their four years of high school, and open a path for higher Islamic education. Mishkah will recognize the students' academic achievements by evaluating their final exam scores, granting credit for the courses that are successfully completed through this program, and issuing them a certificate of completion. This is a unique opportunity for youth in the West to hold fast to the rope of Allah through authentic Islamic education.

Requirements:

Islamic Studies instructors from participating schools will teach all courses to their students. These instructors must be approved by Mishkah's Academic Department and meet the following requirements:

1. Instructors must have a strong foundational knowledge of Islamic Studies.
2. Instructors must have a minimum of two years' experience teaching Islamic Studies in high school.
3. It is highly recommended that Instructors continue their Islamic Studies education by enrolling in a Bachelor or Master's program in Islamic Studies within one year of starting the program.

2. Islamic Studies instructors must follow Mishkah's course flow.
3. Instructors will work with Mishkah's Dual Enrollment Administrator Sr. Rola Elqirem

(relqirem@mishkahu.com) to have course material provided to all the participating students. Instructors are strongly encouraged to use Mishkah's course syllabus to make sure all the course material is covered.

4. Instructors have the freedom to assess students based on the school's academic requirements, i.e., assign homework, give out quizzes and exams, assign projects and research papers, etc.
5. At the end of the course, instructors will submit to Mishkah's Dual Enrollment Coordinator a list of all students who wish to take the course examination with Mishkah to receive University credit.

9. Administrators of the participating school must evaluate instructors and the program annually and send a report to Mishkah.
