## Course Levels

- Courses are designated a level based on complexity.
- New Students are encouraged to begin with Level 1 courses before proceeding to other courses.
- Level 1 courses with a star should preferably be taken after first finishing a few of the other level 1 courses.
- Some courses may have prerequisites which will be indicated on the course catalog and class schedules every semester.
- For questions on academic planning, please contact our advisor, Dr Muhammad Rahawan.
- All course levels are outlined in the table below.
